## Εικονική Βόλτα στο Μουσείο

Πάνω από 1000 έργα τέχνης από 17 διακεκριμένα μουσεία όλου του κόσμου βρίσκονται πλέον στη διάθεσή σας, σε πολύ υψηλή ανάλυση. Η υπηρεσία Street View της Google πέρασε τις πύλες των μουσείων και πλέον σας επιτρέπει να περιηγηθείτε με την ησυχία σας στους χώρους της τέχνης.

Πρόκειται για ένα project του 20%, από αυτά δηλαδή που προκύπτουν από την πλήρη ελευθερία που απολαμβάνουν κατά το 20% του χρόνου εργασίας τους οι υπάλληλοι της Google για να αναπτύξουν και να υλοποιήσουν τις πιο τρελές τους ιδέες. Έτσι προέκυψε και το Google Maps, αλλά και το Google Wave (RIP).

Art Project  
powered by Google

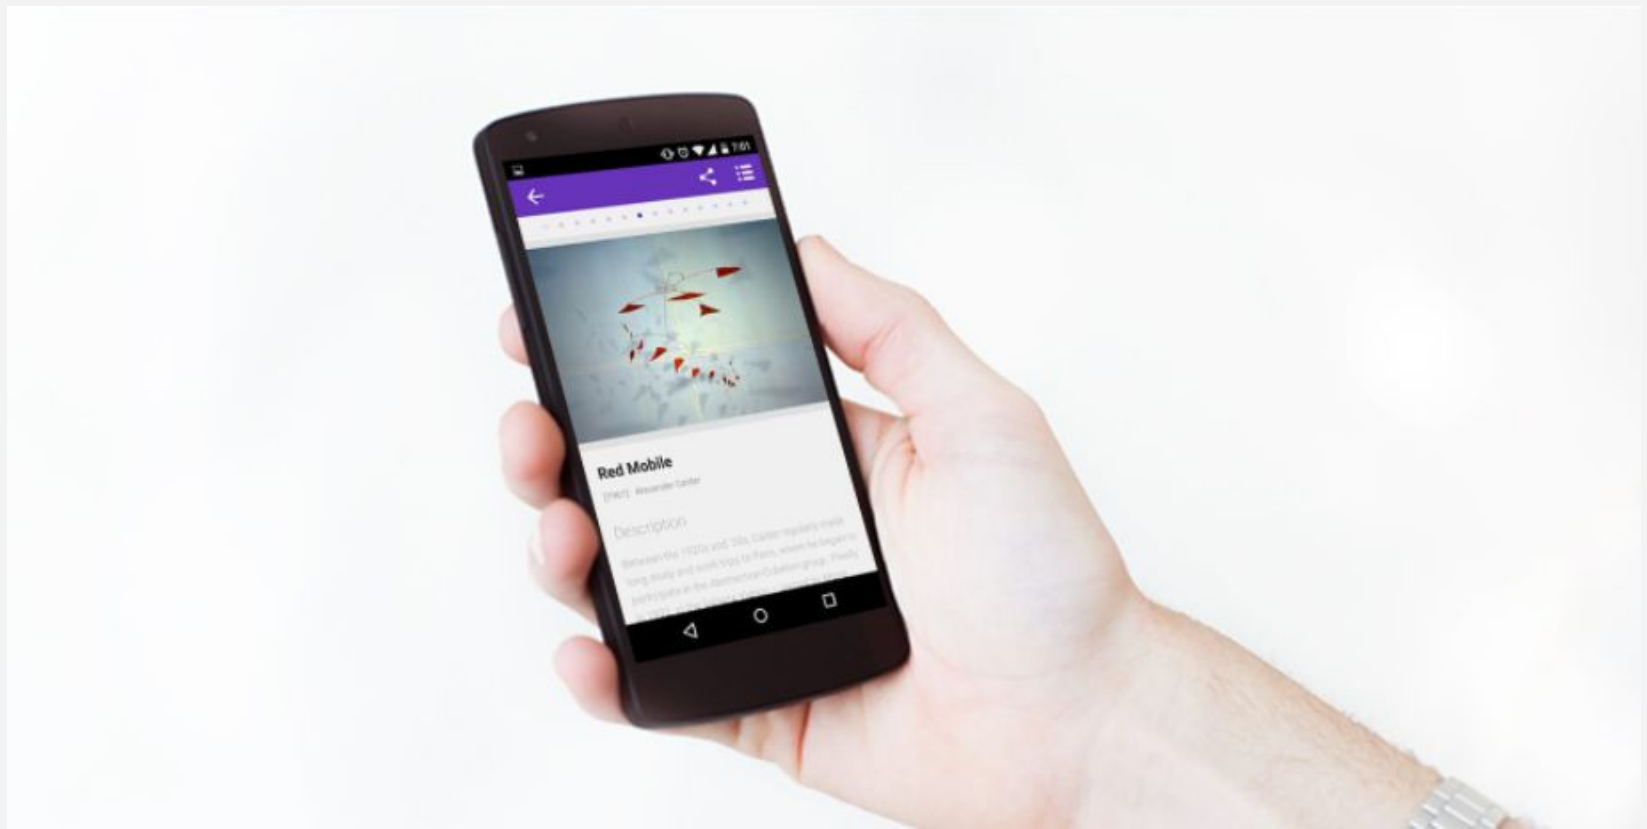

# Google Arts & Culture

Explore stories from around the world

[artsandculture.google.com](https://artsandculture.google.com)

Available on the web, smartphones and tablets ([iOS](#) & [Android](#))

High quality pictures of artworks, organized in online exhibits

EXPLORE

WWII Valor in the Pacific  
(Pearl Harbor, visitor  
center, Arizona and  
Missouri memorials)

EXPLORE

The Museum of the Siege  
of Leningrad  
Санкт-петербург

EXPLORE

Russian Military Historical  
Society  
Москва

More than 2600 virtual tours... also available in Virtual Reality

Brushstroke level detail artwork

Self-Portrait  
Vincent van Gogh  
1889

More than 1600 gigapixel images (ultra-high definition)

The Harvesters  
Pieter Bruegel the Elder  
1565

60+ of the world's leading natural history institutions

Millions of paintings, objects, historical sites and stories

# Learning scenarios

“Visit” museums with your students / virtual field trip (360° or VR)

Find artwork inside the museum / wayfinding

View various genres of painting, describe and compare in groups

Develop understanding and appreciation for colours by zooming in

Become a gallery curator by creating your own collection

Research historical events

# Learning scenarios

Find authentic, relevant and accurate sources

Not just paintings, but photographs, letters and other material

Inspire learners and broaden their horizons

Create and share collections based on an engaging theme

Share collections on a class or individual blog

Write a story based on a painting

Compare with current social issues

In the Loge, Mary Cassatt 1878

1. Describe what is happening in the painting. Where? When?
2. What do you think about the woman in this painting? How do you think she feels?
3. Watch this [video lesson](#).

1. Write a short story, based on the painting.
2. Write a thought-provoking news headline or tweet in 140 characters about this situation.

The pinch of poverty, Thomas Benjamin Kennington 1889

The immigrants' ship, John Charles Dollman 1884

1. What kind of items do they carry?
2. Compare the toys of young children with today's.
3. How does this painting reveal the social classes within 19th century British society?
4. Why did people immigrate then and why do they today?
